PROGRAM

3rd DAY – 5 March (Tietotalo, Jokioinen)

NORDIC
FIELD
TRIAL
NETWORK

9.00 **Potato research in Finland**
Viivi Hällfors, Petla (Potato Research Institute),
Finland

9.20 **Field trials in Iceland**
Jónína Svavarsdóttir, Agricultural University of
Iceland,

9.40 **Lantmännen experimental farm**
Juho Vuorikko, Lantmännen Agro Oy
Experimental farm, Finland

Coffee break ☕

10.15-11.10 **Working groups 1-3 (ROUND 1)**

11.20-12.10 **Working groups 1-3 (ROUND 2)**

Group 1 Drones in Field Trials

Explore current and future applications of drones in field trials, building on today's presentations and your own experiences.

Group 2 Nordic Field Trial System - NFTS

Learn about the NFTS software solution used in Nordic countries for field trials, share user experiences, or discover its potential if you are new to the system.

Group 3 Cross border projects - bring your ideas to the table

Generate ideas for new interregional or EU projects with a focus on fostering cross-national collaboration.

12.30 **Closing words**

12.40 Lunch 🍴

14.00 Bus transport leaving to the airport
